GUANO SUPPLY OF FRENCH SOMALILAND.

Jibuti, the port of French Somaliland, has commenced the export of guano on a small scale. The direct shipments have been made, one to Antwerp and another to Suez, Egypt, says the Consular and Trade report. According to the exporter, an Armenian, \$34 a ton was received for the Belgian shipment. There are thousands of small islands along the coast of French and Italian possessions in the Red Sea rich in guano, and it is now proposed to turn them to account. Some Arab dhows already are engaged in the trade, and as thousands of tons of this article are in sight it is probable that a profitable business will result.

The promoters [address obtainable from the Bureau of Manufacturers] have expressed a desire to get in touch with American importers. They welcome a comparison between Red Sea guano and other grades, claiming for their product superiority because of its unmixt character. Should the article prove satisfactory in America it is not improbable that the guano trade would be the forerunner of direct steamship communications between the United States and Jibuti and thus fill a long-felt want. The fact that importers of American cotton goods have long been clamoring for direct steamship communications with American heights this belief. Aden, only 135 miles distant, already enjoys this advantage.

BAND CONCERT.

The Hawaiian band will give a public concert this evening at Aala Park at half-past seven o'clock. The program: March—Our Director.....Bigelow Overture—Autumn Queen.....Bigge Intermezzo—The Moonbeams.....Laurendeau Selection—The Runaway Girl.....Monckton Vocal—Hawaiian songs, ar. by Berger Selection—Spring Mail.....Reinhardt Waltz—Love's Old Sweet Song.....Bogoss Final—Up the Street.....Morse The Star Spangled Banner.

HAWAIIAN WILD RUBBER.

Samples of latex from the wild rubber tree forest on Hawaii will be sent to the International Rubber Exposition in New York. Upon reports by experts there will depend whether the material is worth gathering for either its chicle gum or its rubber. The rubber from these trees is lacking in elasticity, but has value for belting and other things where that quality is not essential. There is an area of 6000 acres of the trees fully grown, being public land under lease to Hind, Rolph & Co.

Representative Hull introduced a bill amending the Sherman act to provide for a penalty of 50 per cent. of the net earnings of a corporation convicted of violation.

Cable News CONVENTIONS ENDORSE TEDDY

NEW YORK, July 30.—Roosevelt for President. Such was the slogan adopted by several progressive conventions held throughout the country today. In Kansas City, the Colonel's name was received with cheers. The convention in New Haven, Connecticut, endorsed him, and named twenty-eight delegates to the "Moose" convention to be held in Chicago August 5, and instructed them to vote for Roosevelt.

In Kansas City the Progressives endorsed woman's suffrage, the recall of judicial decisions, the referendum, the initiative, and the other Roosevelt planks. The convention passed, without a protest, endorsed Mr. Roosevelt's stand, and instructed the delegates to the coming national convention to vote for him for the nomination for President.

In Nebraska the Roosevelt voters were strong enough to capture the regular Republican convention and nominate their ticket. The result was that the Tafters bolted the convention and, going elsewhere, held a convention of their own and nominated a full ticket. In Phoenix, Arizona, the Progressive convention scored President Taft for what it called his "irresolution" in dealing with the state of affairs in Mexico.

In Minnesota Taft received another blow. The presidential electors, selected by the regular Republican convention, resigned in a body, with the exception of one, and announced their intention of working and fighting for Roosevelt for President. They will doubtless be nominated by the Bull Moose convention.

CROZCO WILL NOT HARM AMERICANS

JUAREZ, Mexico, July 30.—General Orozco, the Mexican bandit leader, today replied to the note sent by Secretary Knox, warning Mexico against attacking any Americans. He intends to disarm all Americans within his reach, says Orozco, but promised not to harm any of them. The exodus of foreigners from the northern sections of the country where the rebels are strongest, continues unabated, and the reports of outrages are on the increase. \$6 far there have been no reports of an attack upon any Americans.

TROOPS ARE BEING HURRIED INTO THE NORTHERN COUNTRY BY PRESIDENT MADERO, IN ANSWER TO THE NOTE FROM SECRETARY OF STATE KNOX.

ROBBERS HOLD UP AUTO STAGE COACH WILLIAMS, Ariz., July 30.—Modesty failed to save the automobile stagecoach which runs out of this town, from the attack of the masked bandits of former days. The stage was held up in approved wild west fashion this afternoon in the mountains near here, and the strong-box broken open and looted. The passengers were also robbed of their money, jewelry and valuables. A posse under the leadership of the sheriff of Cochino county is in pursuit of the robbers.

SHERIFF POSSE IS CHASING BANDITS TO THE WALL

FAMOUS HOLE-IN-THE-WALL CRAIG, Colorado, July 30.—One hundred men headed by the sheriff of the county are now in pursuit of a band of desperate criminals who recently broke jail here and started for the mountains. It is believed that their objective point is the famous Hole-in-the-Wall, and once the resort of many similar bands.

DEMOCRATS BACK UP TWO-BATTLESHIP PROGRAM

WASHINGTON, July 30.—Twenty-one members of the house today pledged their support to the program calling for two additional battleships this year. The move produced a marked effect among the foes of the program, and may cause a complete change of front among those who have been fighting for a reduction of the naval program.

STANDARD OIL TRUST DOUBLES CAPITALIZATION

SAN FRANCISCO, July 30.—The Standard Oil directors in California today declared that the capitalization of the "trust" had been increased from twenty-five million dollars to fifty million.
